ONE GT - Stay a Little Longer You asked, and we listened. Following a growing number of requests for flexible living in Cayman, we're pleased to introduce the ONE GT Residences Collection, a selection of residences available for stays from as little as one month up to a year. The Collection includes fully furnished one-bedroom, one-bedroom plus den, two-bedroom and three-bedroom residences, each designed to feel like your own from the moment you arrive. Unpack, settle in, and enjoy a home in the heart of George Town, with the added luxury of hotel amenities and service whenever you want them. Your days can begin with a workout in the in-house gym and end with a swim in the resort-style pool or a sunset on the rooftop, with the sauna there whenever you need to unwind. Breakfast can be delivered to your door, valet parking takes care of the everyday, and our attentive team is always on hand. For those working while in residence, a private boardroom is also available to reserve for meetings. Dining is right on your doorstep, from the French-Mediterranean elegance of Perle, to the vibrant Asian-fusion flavours of By, and Italian classics at Caf Bellini. Whether you're relocating, between homes, on an extended work assignment, or simply looking for a place to call home for the next few months to a year, the ONE GT Residences Collection makes settling into life in Cayman refreshingly simple.
