PROPERTY DESCRIPTION

A renovated stand-alone home on Melmac Drive in South Sound. A rare find on the rental market. This 3 bedroom, 2 bathroom home comes complete with beautiful furnishings. Recently remodelled, it is energy efficient with new hurricane grade windows, a new multizone AC unit, and gas appliances. The house is conveniently located just outside of George Town with a three car garage, though it is just a short walk to schools and town center. Whats more, the home is pet-friendly and sits 12 feet above sea level, with a large patio and a great fenced in yard full of mature fruit trees. Great for families and working professionals. Melmac Drive 94 offers an unbeatable location, plenty of space, and modern finishings and furnishing.
