PROPERTY DESCRIPTION

Accepting Short (30 days or more) or Long Term tenants in this private family home in the delightful Valley Gardens neighbourhood boasts 2399 square feet of space with 4 Bedrooms and 2.5 Bathrooms. With 1 of the bedrooms currently outfitted as an office, it is ideal for those needing to work or study from home as well. A recent build in 2019, this home was thoughtfully designed with the family in mind. Enjoy an open planned living space with a modern kitchen and ample outdoor space. This home provides adequate storage space within the home and in the attic. The stove, washing machine and water heater are propane powered - an added bonus for cost conservation. Kids Welcomed. Pets considered.
