PROPERTY DESCRIPTION

Executive rental was completed in 2022 as a new addition to a home to convert the property into a duplex. The property would be great as a company house as all rooms are large and self contained or a nice family home in a great neighborhood. The unit has two bedrooms on the ground floor and three on the second floor. The home is centrally located on the Seven Mile Beach Corridor with restaurants, bars, beach, and Camana Bay within walking distance. It is a beautiful property that is tastefully decorated and available immediately. Pets will need to be approved by the owner.
