PROPERTY DESCRIPTION

This spacious home is the perfect combination of comfort and style. The design, with carefully curated artwork, is inspired by a unique blend of chic, modern, mid-century and art deco styles. It is a perfect getaway to enjoy the breathtaking views from the private balcony, entertain friends and family from the cute and cozy den, or have a personal chef prepare an unforgettable culinary experience in the gourmet kitchen. The kitchen features full-sized appliances, 6-burner stove, and mini-fridge. The white marble floors blend seamlessly with the white marble countertops with waterfall edge, and the sleek, white acrylic cabinets. There is plenty of room for 6-8 guests in the dining area. The open concept space with the living room provides beautiful, expansive views to the ocean. Guests can settle in the large, comfortable, sectional sofa, or access the adjacent private balcony, which is the perfect place for evening cocktails or morning coffee. In the master bedroom, you'll find a luxurious, platform, upholstered king-sized bed with fresh, crisp bedding. A stylish seating area, and floor-to-ceiling, gauzy curtains frame the sliding glass doors with access to the private balcony. To the opposite side is a small office nook and entry to the master bathroom. The freestanding, soaker bathtub is the centerpiece of the stunning, spacious master bathroom. It is framed by an elegant, black/grey, custom mosaic tile design creating a stunning backdrop that extends from the entrance all the way to the ceiling behind the tub. On one side, is the glass-enclosed shower, and on the other, is the toilet conveniently surrounded with privacy glass. There are double sinks with sleek mirrors in the art deco style, and double, small, walk-in closets on the corridor. The second bedroom is bright, chic, in a relaxed design with a queen-sized upholstered bed, and gauzy floor-to-ceiling curtains framing the glass doors leading to the very cozy, private patio. The ensuite bathroom is... [View More](#)
