PROPERTY DESCRIPTION

The open concept kitchen/dining/living area creates plenty of space and features the same bold, rich design and plenty of space for entertaining. In the gourmet kitchen, marble tile, and counter tops with waterfall edge, create depth against the sleek, bright white, acrylic cabinets. There are full sized appliances, wine fridge, 6 burner stove, and plenty of seating at the counter top breakfast bar. From the living area, guests can admire the expansive ocean views, or access the private balcony to gaze at the crystal blue seas below. The adjacent master bedroom is beautifully designed, with a combination of light and dark natural features, gorgeous, grey wood, comfortable king-sized bed, and large wrap around glass wall to take in the stunning views. Wake up with the sounds of the ocean and go to sleep with the sounds of the ocean. Floor to ceiling, gauzy white curtains create the perfect contrast. The ensuite master bathroom is truly special because the custom mosaic tile feature really pops against the black marble floors and walls. It creates a stunning backdrop that extends from the entrance all the way to the ceiling behind the large, freestanding, soaker tub. On one side is the glass-enclosed shower, and on the other is the toilet conveniently surrounded with privacy glass. There are double sinks with sleek mirrors in the art deco style, and double, small, walk-in closets on the corridor. The 2nd and 3rd bedrooms are equally chic and comfortable spaces with crisp, white bedding, full ensuite bathrooms with glass tile showers, and access to a cozy, private balcony overlooking the property and South Church Street. One bedroom has a low, platform, upholstered king-sized bed, and the other has an upholstered queen bed with leather accents. Additional amenities enhance guests comfort and convenience including a separate laundry room with full-sized washer and dryer, TVs in all bedrooms, and ample closet and storage space throughout the unit.
