PROPERTY DESCRIPTION

Available from June 2nd or earlier This large, Classic Caribbean, Home is located in the incredible Beach Bay seaside area, beside the Mandarin Oriental Resort site. A quiet, central location means that you can enjoy being away from the hustle and bustle of the populated areas but remain a max. 30 minute drive to all destinations, with many destinations and all necessary amenities just minutes away. The beach is just a 7 minute walk down the road! Well-Equipped for Kids. A true Caribbean-style guest house similar to what you would expect to rent as a higher-end rental in places like Nicaragua and Costa Rica. It is a heritage-style home with hard wood floors and furnishings and boasts granite countertops in the kitchen and baths. All 4 bedrooms (2 king, 1 Bunk with 2 Twins, and 1 Queen) are large & beautifully furnished with high-quality and high-comfort mattresses and include plenty of closet space. 3 of the 4 have their own private balcony or patio. 2 of the upper rooms have partial views of the sea. The room with the Bunk Bed is equipped for kids, with kid-themed sheets for the mattresses, a kids library of books and games, a desk full of coloring and drawing supplies, and a closet full of toys for kids of all ages. Much space is available for kids to play in the room and the balcony has a carpet that can be placed out there as well (with supervision). The 2 Twin mattresses on the bunk bed are adult-quality and size with large twin frames and the bunk itself is very sturdy, which means that adults may also use it. There are also 2 double inflatable mattresses along with enough room for them if the room needs to host more than 3 people. There is also a smaller replica of the dining room table set up just outside the dining room area in the far end of the living room for 4 kids, with chairs, so that kids can have their own dining area or general area to do arts and hobbies at, in the main area. Much of the furniture are antique or hi-end character pieces and... [View More](#)
