PROPERTY DESCRIPTION

Welcome to Governors Harbour Home, Jellicoe Quay a bold reimagining of luxury where Mediterranean-inspired refinement meets Caribbean canal living. Embrace waterfront living at its most peaceful. This well-elevated, south-facing canal-front gem spans 4,000 sq ft of crisp, modern design across a Mediterranean-style layout that flows effortlessly from indoors to out. Step inside and you're greeted by vaulted ceilings, streams of natural light, and open-plan living that invites both quiet reflection and vibrant gatherings. Brand New chefs kitchen, fitted with premium appliances and contemporary cabinetry, anchors the home and opens into expansive living and dining areas designed for connection and comfort. With 4 spacious bedrooms and 3.5 bathrooms, this residence offers intentional separation of space ideal for families, professionals, or hosting guests with ease. The primary suite is a sanctuary, blending privacy, space, and style with thoughtful finishes that elevate the everyday. Outside, life opens up. Over 120 feet of canal frontage, a private dock, and a sparkling pool tucked within a lush, walled garden bring peace and play together. Whether you're paddleboarding at sunrise or toasting the sunset from your terrace, every moment here feels curated for well-being. This home isn't just about what you see; it's about what you feel. Its refined yet relaxed, elegant yet easy, and effortlessly connected to the best of Grand Cayman. Located minutes from Camana Bay, Seven Mile Beach, and CIS, this is one of the island's most sought-after enclaves blending privacy with proximity. Governors Harbour Home, Jellicoe Quay is more than a home; it's a lifestyle statement. It's where architecture meets intention, and where everyday moments become something extraordinary. How do you want to live your life?
