PROPERTY DESCRIPTION

Set along the exclusive Northwest Point of Grand Cayman, this community offers a rare mix of tranquility, luxury, and dramatic ocean scenery. Created by the renowned architects at Gensler, Point West sits high above the shoreline about 130 feet back and 30 feet up, giving residents front-row access to jaw-dropping sunsets and postcard views stretching toward Seven Mile Beach. Perched on the second floor, Unit 3 takes full advantage of its surroundings with an airy, open-concept plan and a private balcony that frames the sea. This 2-bedroom, 2-bath condo spans 1,193 sq ft and has been beautifully outfitted by an interior designer, showcasing stylish finishes, smart space planning, and a clean, modern aesthetic throughout. Point West brings resort-style amenities right to your door: a rooftop pool and hot tub with endless ocean views, and a modern fitness centre. A professional management team is on-site to handle security, housekeeping, guest assistance, and more. Your days can be as carefree as the island breeze. Only minutes from top dining, shopping, schools, and the airport, Point West offers the perfect blend of privacy and convenience. At Point West, the ocean is your backdrop, luxury is your everyday, and paradise is simply home.
