PROPERTY DESCRIPTION

Wake up steps from one of the Caribbean's most beautiful stretches of coastline. This bright, move-in ready condo sits in a quiet 5-unit complex right on West Bay Road, where Seven Mile Beach meets Cemetery Beach one of Grand Cayman's best-kept secrets for snorkeling and sunset walks. The space feels larger than its footprint thanks to soaring vaulted ceilings and a striking staircase leading to the upstairs loft bedroom, which gets wonderful natural light from a skylight overhead. Downstairs, the master bedroom opens to a private fenced backyard a rare find and perfect if you have a pet (considered on a case-by-case basis). The living area features a comfortable blue velvet sofa, mid-century modern touches, and a fully equipped kitchen with granite counters and stainless appliances. The location really is the standout here. Foster's West Bay grocery store is a 3-minute walk. Cemetery Beach is across the road. You're at the quieter, less crowded end of Seven Mile Beach but still connected to everything. Park right at your door.
