PROPERTY DESCRIPTION

Welcome to Point West, a boutique oceanfront community comprised of just 32 thoughtfully designed residences, where refined architecture meets the calm, steady rhythm of the sea. Designed by the award-winning architectural firm Gensler, Point West is elevated approximately 30 feet above sea level and set more than 130 feet back from the shoreline. Positioned on the coveted Northwest Point of Grand Cayman, the property enjoys uninterrupted sunset views to the west and sweeping vistas toward Seven Mile Beach to the south. Unit 19 is a beautifully proportioned one bedroom, one bathroom residence offering 1,022 square feet of open-concept living. The interior flows seamlessly onto a private balcony, creating an ideal setting to enjoy ocean views and cooling trade winds. The residence has been carefully curated by Sage Interior Design, featuring high-quality finishes throughout that balance sophistication with everyday comfort. Residents of Point West enjoy access to an exceptional collection of amenities, including a rooftop swimming pool, fully equipped fitness centre, sunset lounge and bar, open-air theatre, and an on-site dive academy with retail space. A professional property management team oversees security, housekeeping, and concierge services, ensuring a seamless and elevated living experience. Ideally located just minutes from the islands leading restaurants, supermarkets, schools, and the airport, Point West offers a rare combination of privacy, convenience, and coastal living.
