PROPERTY DESCRIPTION

Versatile 1,000 Sq Ft Space Position your business for efficiency and visibility with this Industrial Park office space rental offering 1,000 square feet of adaptable layout. Designed to meet a range of professional or operational needs, this office/storage space blends function and flexibility in a highly accessible location. Whether you need a client-facing office, organized storage, or a hybrid solution, this space delivers practical value from day one. Available immediately, the office/storage space is ready to support your next phase of growth. Smart Interior Layout Inside, the space is thoughtfully divided into a welcoming reception area and several smaller rooms. This configuration allows for: Private offices Meeting or consultation rooms Administrative workspace Secure storage areas A dedicated bathroom adds convenience for staff and visitors. The layout supports both front-end operations and back-end functionality, making it ideal for contractors, service providers, small businesses, or growing teams seeking a professional yet adaptable environment. Accessible And Convenient Located within Industrial Park, this Industrial Park office space rental benefits from easy road frontage access and straightforward navigation for clients, deliveries, or daily operations. Two dedicated parking spaces are included, providing added convenience for you and your team. Utilities are additional, allowing you to manage usage according to your specific operational needs. Built For Flexibility One of the strongest advantages of this property is its flexibility. Use it strictly as office space, convert it into a secure storage facility, or combine both functions seamlessly. The adaptable design ensures the space evolves with your business rather than limiting it. Immediate availability means you can move forward without delay and establish your presence in a well-positioned commercial hub. Envision Your Next Move We believe commercial space... View More
