PROPERTY DESCRIPTION

Beautifully designed contemporary office suite located on the 4th floor of Genesis House, offering impressive ocean views and a refined professional environment. This impeccably finished, high-tech private suite features three internal offices complemented by an open-plan workspace, creating an ideal layout for collaboration while maintaining privacy where it matters most. Delivered fully furnished and turnkey, the suite also benefits from access to shared conference facilities, a fully stocked kitchen and lunchroom, and a professional reception area allowing your team to move in and operate immediately with minimal setup. Positioned in the heart of Central George Town, the location places your business steps from the courts, major banks, and everyday conveniences like Starbucks, making it exceptionally convenient for both clients and staff. Spaces of this caliber rarely come to market. Contact us today to arrange a private tour.
