PROPERTY DESCRIPTION

Tucked well off the road behind a gated entrance, this stunning residence is available for lease through 30 September and offers the perfect blend of privacy, security, and resort-style living. Set within an exclusive enclave of exceptionally well-built residences, the property is surrounded by lush tropical landscaping, subtle water features, and mature indigenous foliage, creating a true island sanctuary where neighbouring homes are barely visible through the greenery. Spanning three spacious levels, the residence has been thoughtfully designed to provide both privacy and an abundance of natural light throughout. Beautiful terracotta tile, natural stone, and fine woodwork feature prominently across the home, with high-end finishes incorporated into every detail. Residents can enjoy access to a stunning infinity-edge pool overlooking a peaceful sandy beach and protected cove, along with a fully equipped fitness facility set amongst beautifully manicured grounds. Ideally located close to schools, George Town, and Seven Mile Beach, this exceptional rental offers a rare opportunity to enjoy luxury, tranquility, and convenience in one of Caymans most desirable locations. Available for occupancy through 30 September. Small dogs allowed with authorization of the owner.
