### PROPERTY DESCRIPTION

An exceptional commercial space is becoming available at the highly sought-after Galleria Plaza on Seven Mile Beach from June 1, 2026. This prominent two-level space offers a rare opportunity for a flagship retail, showroom, or mixed retail/office operation in one of Caymans premier commercial destinations. The property comprises approximately 2,432 sq. ft. on the ground floor and 2,030 sq. ft. on the second floor, connected by a fixed internal stairwell. Originally designed for Marks & Spencer when Galleria Plaza first opened, the layout was created as a pavilion-style concept with the upper floor overlooking the main retail level, an ideal configuration for a dynamic, multi-level business presence. The upper level is currently fitted out as professional office space and is well-suited for continued office use, administrative operations, executive suites, or customer service functions.
