This is one of the final opportunities to secure a one-bedroom residence at The Grove Too, an exclusive boutique development inspired by the proven success of The Grove and thoughtfully designed for those who appreciate refined, contemporary living in one of Grand Caymans most desirable locations. Centred around a striking courtyard garden by internationally acclaimed Enea Garden Design, The Grove Too harmonises modern architecture with natural serenity. A professionally managed rental program also offers flexibility for owners seeking investment potential alongside lifestyle appeal. A signature feature of The Grove Too is its expansive rooftop terrace spanning the west building, offering panoramic views of the Caribbean Sea and North Sound. Residents enjoy a resort-style pool and hot tub, sauna and steam rooms, meditation garden, childrens play areas, social spaces, and a rooftop bar, amenities rarely found in boutique developments of this scale.
