This one-of-a-kind residence features four ensuite bedrooms, a versatile study, newly renovated ocean-facing kitchen, double vaulted great room, media room and grand banquet room with a full sized bar. Double-story glass windows flood the open-concept great room with light and ocean views, while the grand banquet room impresses with vaulted ceilings, a full bar, and disappearing glass doors to the outdoors. A separate media/living room with its own bar adds even more space to entertain. Marble floors, a sweeping spiral staircase, and gallery walls set an elegant tone throughout. The primary suite offers a skylit walk-in closet and a spa-like bath with an oversized jacuzzi and dual vanities. Smart-home features include Lutron lighting, motorized blackout blinds in the media and banquet rooms, and whole-home audio. Outside, enjoy a 50-foot pool, an expansive deck, and a BBQ station perfect for sunset dining.
