PROPERTY DESCRIPTION

Positioned near the very top of ONEGT, this two-storey sky penthouse is among the largest and most distinguished residences in the building - offered fully furnished and ready to move into today. Spanning 3,490 sq ft across two thoughtfully designed levels, the residence offers four bedrooms, a dedicated den, and four and a half bathrooms. A sense of scale, separation, and privacy far closer to a private home than an apartment. An internal staircase connects the two floors, keeping the living spaces and additional bedrooms below distinct from the private retreat of the primary bedroom above. The main living and dining area opens onto a generous ocean-facing wrap-around balcony, where the light shifts through the day and evenings close with sunset views over the water. Floor-to-ceiling glazing draws the outside in, blurring the line between indoor comfort and open-air living - perfect for a quiet morning coffee as well as evening entertaining. At the heart of the home, the kitchen is anchored by a substantial island and finished to an exceptional standard with Miele appliances, balancing everyday functionality with understated elegance. Throughout, the interiors have been personalised and styled to a level well beyond a standard rental - every material, finish, and furnishing carefully considered to create a cohesive, elevated home you can settle into immediately. Life at ONEGT is defined by a level of service and amenity rarely seen on island. Residents enjoy access to One Above, home to Cayman's only 11th floor infinity-edge rooftop pool. In addition, a second resort-style pool, a fully equipped gym and sauna, a private library, and dedicated meeting and business spaces round up the collection. An array of world-class on-site dining venues completes the experience, from French-Mediterranean elegance to vibrant Asian-fusion and Italian classics, complemented by in-residence dining, room service, and full concierge care. This home includes a dedicated VIP park... View More
