PROPERTY DESCRIPTION

Casa Luna #16 offers a rare opportunity to experience the privacy and scale of a stand-alone villa paired with the elevated amenities of an exclusive oceanfront resort. Nestled within the gated Casa Luna community just south of Seven Mile Beach, this beautifully appointed residence combines timeless Caribbean architecture with the tranquility of one of Grand Caymans most secluded waterfront enclaves. Spanning three spacious levels, the villa has been thoughtfully designed to maximize natural light, privacy, and indoor-outdoor living. Offering approximately 50% more livable space than a traditional Seven Mile Beach condominium, the home features multiple terraces, tiered elevations, and generously proportioned interiors ideal for both relaxing and entertaining. Rich terracotta tile, natural stone, and fine wood detailing create a warm and sophisticated atmosphere throughout, while high-end finishes enhance every space with understated elegance. Residents enjoy access to an exceptional collection of resort-style amenities, including a breathtaking infinity-edge swimming pool overlooking a peaceful sandy beach and protected turquoise cove perfect for snorkeling, paddleboarding, and observing vibrant marine life. Beautifully landscaped grounds weave through lush tropical gardens, koi ponds, and serene walking paths, creating an atmosphere of complete escape. Ideally located near George Town, top schools, and Seven Mile Beach, Casa Luna #16 offers the perfect balance of luxury, privacy, and convenience in one of Grand Caymans most desirable waterfront communities. Available for immediate occupancy.
