PROPERTY DESCRIPTION

The 4-bedroom, 4.5-bathroom residence is fully furnished and beautifully finished throughout, with floor-to-ceiling windows, high ceilings and expansive views across the Caribbean Sea. At the heart of the home is a generous open-plan living and dining area alongside a contemporary kitchen with Miele and Sub-Zero appliances, Caesarstone countertops and custom cabinetry. What really sets Residence 2 apart is the extended patio. Complete with a private hot tub and plenty of space for lounging and entertaining, it provides a seamless extension of the main living area and an incredible setting to enjoy the beachfront location. Each bedroom is generously proportioned. A separate private office provides a dedicated space to work from home, while a laundry room and additional storage add everyday practicality. The elevator opens directly into the residence, and two dedicated spaces are provided in the covered basement parking. Aqua also offers an oceanfront infinity pool, on-site management and nighttime security. Located along Seven Mile Beach with Camana Bay, George Town, restaurants, schools, grocery stores, gyms and other amenities all within easy reach. Available for long-term rental. Contact us to arrange a viewing. Pets will be considered on a case by case basis, with an additional pet deposit.
