PROPERTY DESCRIPTION

Never rented before, urban life style, including elevator to the unit floor and just one road crossing away from famous Seven Mile Beach and steps from restaurants, shops, 5 star hotels, businesses, gyms, cafes, spas, hairdressers, in the heart of the Seven Mile Corridor. You will hardly need transportation, as you can walk everywhere. Owners renovated the unit with extreme attention to detail as they lived and worked there and only recently moved out, so this is its first ever rental. Beautifully furnished SMART home (fully voice or phone-automated control of temperature, lights, TV, sound), with a complete reimagined floor plan, 75" frame TV in living room, 65" TV in bedroom, featuring wooden panels, TWO spa-like bathrooms with smart toilets,, interior designed furniture (Ethnicraft dining table), wine cooler, modern appliances, 1 master bedroom with brand-new king size mattress and a second bedroom set up for an office with a sofa bed for guests. Building has covered parking spaces, as well as spaces near its front foyer, open by FOB, with elevator taking you to its main floor. Upstairs Bedrooms give the unit a home like separation between entertainment and relaxation areas. Call for a private viewing, unit is ready for move in! A/c maintenance is professionally done and included in rent. Apologies but STRATA does not allow for pets.
